

EFFECTIVE LEARNING CLUBS ARE

SUCCESSFUL

BECAUSE THEIR MEMBERS:

S

Share their beliefs and their efforts with each other.

U

Unlock their passions and work together to create a vision of high quality instruction in every classroom.

C

Communicate, Communicate, Communicate.

C

Choose "Best Bets" to focus attention of instructional techniques proven to raise student achievement.

E

Establish goals that are aligned with the school's and district's goals.

S

Stay "close and curious"; work together as "cheerleaders," not "checkers" of each other's work.

S

Seek positive and effective ways to overcome resistance.

F

Find time to praise team members' efforts.

U

Use student work analysis to improve results.

L

Look for ways to expand their instructional expertise.
